Requires 4 Connects

Refunded if client doesn't hire ☐

Hi,

I'm looking to convert 3 static web banners into 1x HTML 5 animated banner.

The 3 designs are attached.

The text and CTA will need to be animated and the 3 banners must loop between the slides.

**\$150**

Fixed-price

**\$\$**

Intermediate level

**Project Type:** One-time project

**You will be asked to answer the following questions when submitting a proposal:**

1. Do you have any questions about the job description?
2. Do you have suggestions to make this project run successfully?
3. What questions do you have about the project?
4. What past project or job have you had that is most like this one and why?

### Skills and expertise

#### Front-End Development Languages

HTML5   HTML   CSS

### Preferred qualifications

Talent Type: Independent ☒
