I have a web form with text fields and list menus. I need the following functionality:

1. List Menu contains 11 items.
  2. When user selects from List Menu, radio button choices appear with one-liner and image
  3. User can choose from maximum of 4 items in radio button choices
- Example:
1. User selects item 1 in List Menu
  2. 3 selections appear with radio buttons. User can select only 1.
  3. If user changes selection in List Menu, selections change accordingly

Timeframe: Need it done urgently (within 24 hours)
